The twenty-one books which will comprise the exhibit have been donated to SRC's library by Dr. Frank Maguire. ## ARCHIVIST MEETING

Sister Mary Smith, College Archivist, recently attended the Annual Meeting of the New England Archivists, at Clark University in Worcester, Massachusetts.

Various areas of Archival research were discussed. There were sessions for Urban Archives, Historical Societies, American Antiquarian Societies, State Archives and State Libraries. Sister chose to attend the session on College and University Archives which was chaired by Mr. Thomas D. S. Bassett, University Archives of the University of Vermont.

The main thrust of the meeting had to do with the Buckley Amendment and its bearing on the following areas: Financial Aid files, Registrar's Files, Admissions Officers' files, Rejected Candidates' files and Discipline cases files. These types of files eventually end up in the Archivist's domain, therefore, in the light of the Buckley Amendment, how they should be dealt with was discussed.

Sister also toured the third oldest Historical Research facilities. This is housed in the American Antiquarian Society, Worcester, Massachusetts.
